This **Articulation Agreement** is between **MISSION COLLEGE** and (fill in one below and *required* below):

_____ High School	Santa Clara Adult Education	_____ Adult School
_____ ROP School	Santa Clara Unified	_____ District (<i>Required</i>)

It re-affirms the commitment that each has with respect to program articulation. Mission College and the above listed school representing their respective educational programs, have met, analyzed, and compared and agree on the content and exit competencies of their course of instruction. They have also agreed with no curriculum changes and recommend renewal of the following course:

High school course MS Word Level 1 articulates with Mission College
college course CAP33A

The attached renewal Articulation Agreement shall be placed into effect on this date. **This agreement will remain in effect until June 2022.**

Benefits to the Students:

- Provides incentives for students to continue their education.
- Allows students to receive college credit and/or advanced placement through effort and achievement at the secondary schools, reducing duplication of effort and time, thus lowering costs.
- Provides students with assessment, placement, orientation and counseling services to ease the transition from secondary school to the college.
- Enhances job opportunities by helping students quickly acquire specific marketable job skills.

Benefits to Faculty:

- Secondary school instructors gain first-hand information about community college programs and services.
- Community college faculty gain information about secondary school programs and capabilities.
- Helps faculty understand how their courses fit into the overall Program of Study/Career Pathway.
- Connects faculty to their role as workforce development leaders within their community, assisting them to counsel students in Programs of Study/Career Pathways.

Benefits to Secondary Schools/Mission College:

- Supports matriculation by preparing students for an identified Program of Study/Career Pathway.
- Goal oriented, better prepared students increase retention.
- Provides the opportunity for the college to focus on higher-end courses within the Pathway.

Benefit to the Community and Industry:

- Allows industry and community opportunities for direct input into the curriculum.
- Improves communication with other educational entities and prospective employers.
- Provides employees with relevant competencies for career applications.
