Benefits to the Students:

- Provides incentives for students to continue their education.
- Allows students to receive college credit and/or advanced placement through effort and achievement at the secondary schools, reducing duplication of effort and time, thus lowering costs.
- Provides students with assessment, placement, orientation and counseling services to ease the transition from secondary school to the college.
- Enhances job opportunities by helping students quickly acquire specific marketable job skills.

Benefits to Faculty:

- Secondary school instructors gain first-hand information about community college programs and services.
- Community college faculty gain information about secondary school programs and capabilities.
- Helps faculty understand how their courses fit into the overall Program of Study/Career Pathway.
- Connects faculty to their role as workforce development leaders within their community, assisting them to counsel students in Programs of Study/Career Pathways.

Benefits to Secondary Schools/Mission College:

- Supports matriculation by preparing students for an identified Program of Study/Career Pathway.
- Goal oriented, better prepared students increase retention.
- Provides the opportunity for the college to focus on higher-end courses within the Pathway.

Benefit to the Community and Industry:

- Allows industry and community opportunities for direct input into the curriculum.
- Improves communication with other educational entities and prospective employers.
- Provides employees with relevant competencies for career applications.
